

## Referring clients/patients to the Full Circle Program at Sankofa Psychological Services

Thank you for considering the Full Circle Program at Sankofa Psychological Services! To refer your clients/patients to our program, please read to the following information.

The Full Circle Program collaborates with many types of providers to improve child and family well-being, including psychiatrists, occupational therapists, speech therapists, family counselors, special education coordinators, teachers, and assessment psychologists.

Children who need psychological or neuropsychological assessment may be referred to our group practice Sankofa Psychological Services for concurrent testing services.

If you are wondering whether your client/patient would benefit from the Full Circle Program, please feel free to email us at [fullcircle@sankofapsychology.com](mailto:fullcircle@sankofapsychology.com) and we can set up an in-person or phone meeting to discuss treatment options.

Provider referral instructions:

- I. Service providers may provide clients/patients with the Full Circle Program's contact information:
  - i. Office phone number: 312-344-1081
  - ii. E-mail: [fullcircle@sankofapsychology.com](mailto:fullcircle@sankofapsychology.com)
  - iii. Website: [www.sankofapsychology.com/full-circle-program](http://www.sankofapsychology.com/full-circle-program)
- II. When clients/patients contact the office, please let them know to ask for enrollment in the Full Circle Program and provide the referring provider's name as well. Patients will be asked to provide demographic information and insurance information during this initial contact.
